Restoring dignity, relationships, and the well-being of the family as a way to restore community

We build stronger, healthier families and communities through counseling, case management, support services, and restorative practices.

By approaching trauma through a restorative lens, we are able to begin the work of healing.

CORE SERVICES
- DCFS and VOCA Case Management
- Women’s Empowerment Groups
- Parenting Classes
- Individual and Group Therapy
- Youth Leadership Programming
- Youth Resiliency Teams
