

1. Visit the [Erie House Facebook](#) page
2. Click "Create Fundraiser"

3. Set a goal for how much you would like to raise with your personal fundraiser. (This can be whatever amount you feel comfortable putting – there are no guidelines.) Make the end date of your fundraiser April 30, 2020.
4. For the title of your fundraiser, enter: **“Support Erie House participants through the Community Relief Fund”**

And in the box that asks “Why are you raising money?” enter the below message. Feel free to personalize this section to add why this fundraiser is important to you.

Now through April 30, 100% of Erie House donations raised on Facebook will go to this fund and directly to our participants.

Many of Erie House’s participants have lost hours and wages due to the COVID-19 pandemic. Some no longer have work at all and are wondering how they will provide for their families and pay their bills. Others continue to work and are stressed about care for their children.

Government aid is helpful for those who can access it, but these benefits are not available to everyone, including many undocumented families.

Donations to the new Community Relief Fund will go directly to the members of the Erie House community who are hit the hardest by this crisis. Every dollar raised will support them in meeting immediate needs like food, childcare, transportation, rent, and utilities.
